

Luxembourg

Senior Financial Accountant

Due to expansion of our internal finance department, we have an exciting opportunity available at our office in Luxembourg.

Who are we?

United is an independent provider of finance and trust services with a truly personal approach. We unite disciplines, connect networks and cross borders to bring our clients the services they need and deserve. United serves a wide range of companies, investment industry professionals and wealthy individuals the world over. Our 150 experts work from nine offices in financial hotspots around the globe.

At United, we believe that providing financial and legal services is a people business. A business built on trust. That is why we are so committed to finding and hiring the right people. That is why, when we hire those people, we give them our trust. United offers you the perfect environment to grow personally and professionally.

Our Luxembourg office of some 50 dedicated, experienced and multi-lingual staff, is a mid-size professional service provider with a solid client base servicing sizeable assets.

Main tasks & responsibilities

As our senior financial accountant, you will report to the finance director and ensure that all company accounts forming part of the internal finance department's portfolio are maintained in good standing. Your tasks and responsibilities will include:

- Compiling periodic (financial) reports to identify results and trends
- Preparing financial forecasts
- Establishing and implementing financial reporting systems to comply with United's standards, government regulations and legislation
- Regularly providing financial information and accompanying analyses to management and other stakeholders
- Assisting in preparing and presenting business cases and regular performance reports to management and other stakeholders
- Collaborating with auditors and internal finance staff regarding the audit planning and execution
- Ensuring a timely completion of the annual audits and subsequent (consolidated) financial statements
- Compiling/analysing budgets, forecasts and financial plans, including cash-flow management

- Suggesting performance optimisation measures, including cost reduction opportunities
- Establishing and maintaining a framework of internal controls ensuring financial transaction and data integrity
- Supervising and motivating internal finance team members
- Guaranteeing the accurate preparation of the month-end closing process
- Supporting and monitoring the finance team members in their day-to-day work

Profile

- Bachelor's or Master's degree in finance, accounting or related field
- CPA, CA, ACCA or an equivalent registration is a plus
- Extensive IFRS knowledge
- Minimum 3 - 5 years' experience with one of the Big4 accounting firms
- 3 - 5 years' experience in management accounting/financial analytics is a plus
- Good analytical skills and business acumen
- Strong communication skills
- IT affinity

What can we offer?

You will have the exciting opportunity to work as a senior financial accountant, with the ability to influence the organisation and its daily operations by championing optimisation and automation. You will get the support of a great team who work together on the basis of responsibility and trust. We offer all our staff a competitive remuneration package and unique opportunities to develop personally and professionally.

Interested?

Join us, and be a part of a dynamic and flexible organisation where work is about people, not data. Where you can build a broad range of experience and where you are given responsibility and trust.

Please send your application letter and CV to edgar.schoepf@uibt.lu. For more information on the position, you can contact Edgar Schöpf at +352 2744 81.
